

CASH TESTER

BC 241 SD

Reliable value counter with micro SD card updating

The **BC 241 SD** banknote counter combines successfully tested counterfeit detection with a modern design.

The value counting possibility for Euro, British Pound and Swiss Francs makes all cash money countings easier and saves times every day. And you can also count and check sorted US Dollar!

New banknotes? Other currencies? The **BC 241 SD** can be updated easily by a micro SD card!
