

*Secured and simplified the cash payment  
thanks to the SCM-B*

*Every type of business where cash payment is significant and where safety (internal and external) issues exist can be equipped : small to big retailers, bakeries, fast food, shops entertainment parks...*

A performant transaction time : < 5 sec

Can be connected to almost all POS software

Can be fixed, sealed or integrate in sales line

No needs to prepare a fund of cash at the beginning of the shift and to count it at the end of the shift.

Cashiers are no touching anymore coins and notes

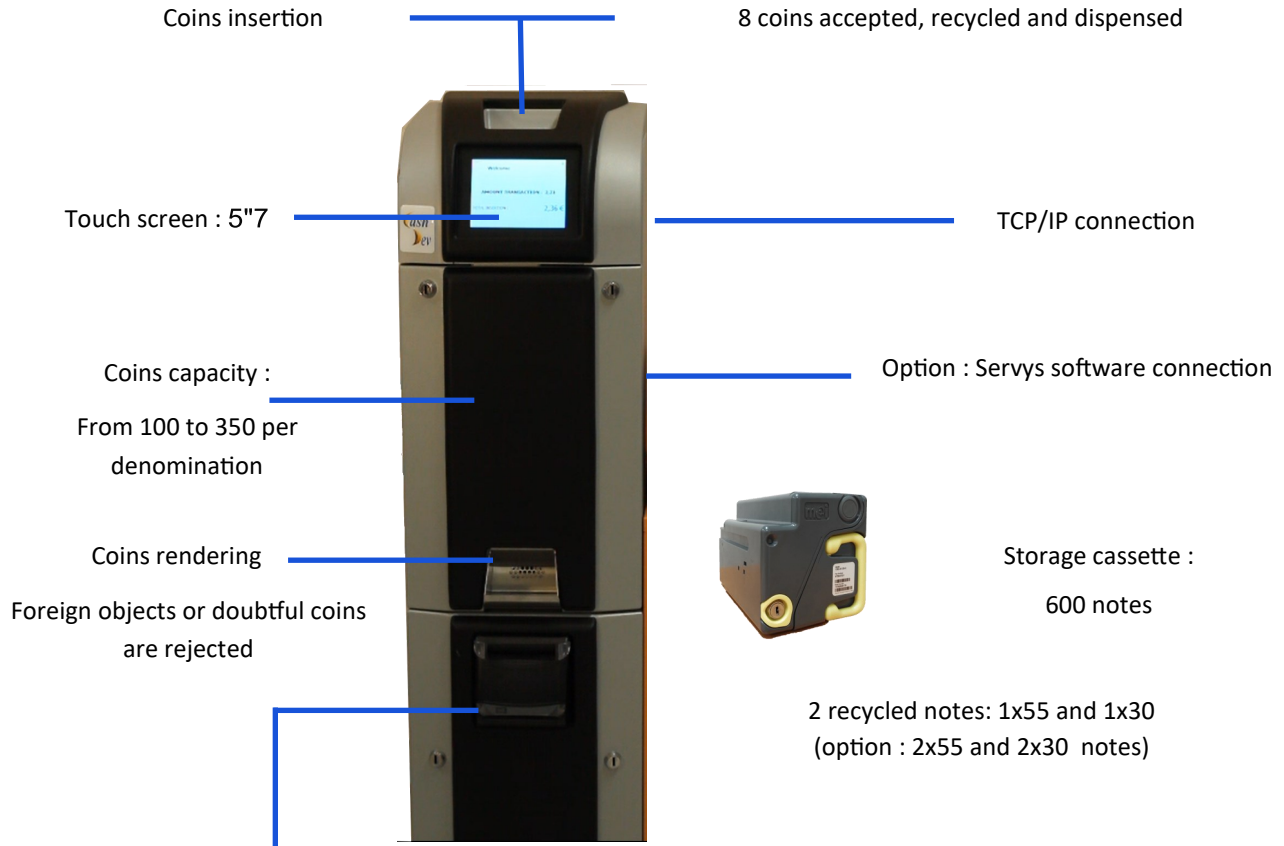

Cashiers can dedicate more time to the customer satisfaction.

# Smart Cash Manager - B
